

# Computers and Analysis at Nevis

31-May-2006

Bill Seligman

- **10:00 AM:** Computer resources at Nevis
- **10:15 AM:** ROOT - What is it? Why do we use it?
- **10:30 AM->end of day:** Hands-on ROOT Course

# Who am I? (Systems administration)

Bill Seligman

x2823

Room 116

[seligman@nevis.columbia.edu](mailto:seligman@nevis.columbia.edu)

Will cheerfully answer questions on:

Unix (& Mac) / security / software

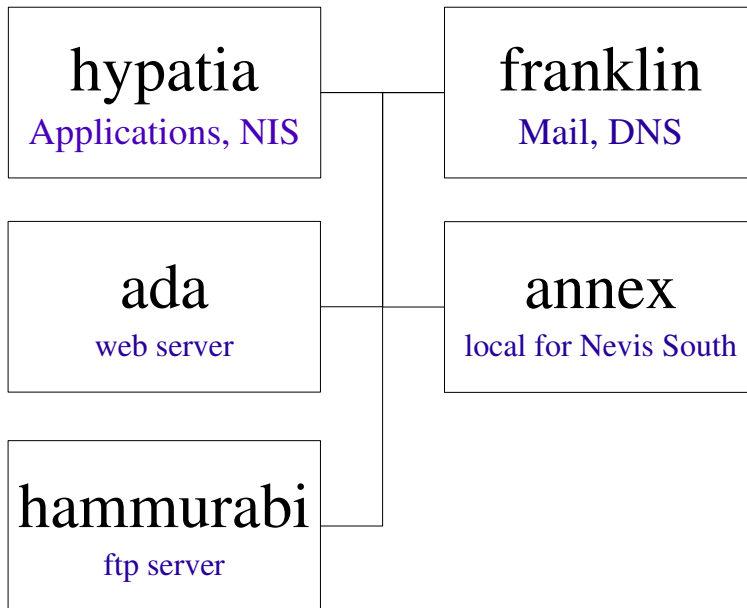

Will grumpily complain about questions on:

Windows / networking / hardware

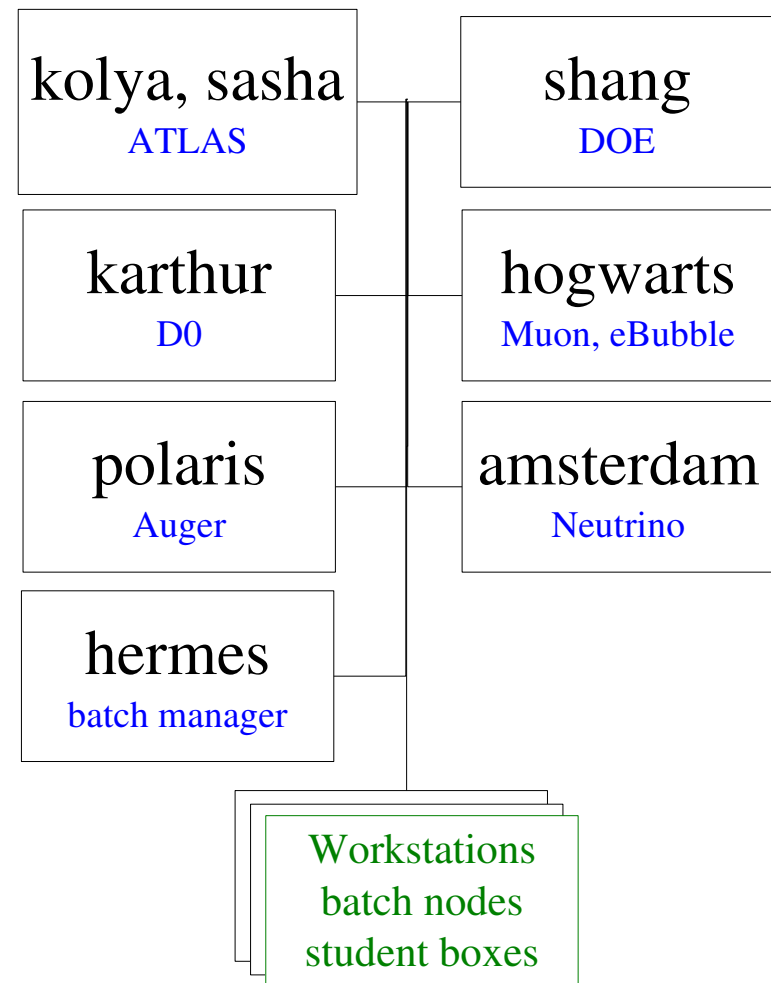

"finger seligman" for more information

# Computer Systems at Nevis Linux Cluster

## Administrative servers

## Workgroup servers
